SMART FACTORIES & INDUSTRIAL MANUFACTURING

ABOUT HANNOVER MESSE

The HANNOVER MESSE is the ideal place to obtain the latest industrial know-how. Established more than sixty-five years ago, HANNOVER MESSE ranks today as the leading international showplace for industrial technologies, materials and product ideas.

ABOUT TECHNOLOGY COOPERATION DAYS

The brokerage event Technology Cooperation Days is a platform for enterprises, research institutions and universities to find partners for technology and research cooperations and business partnerships in pre-organised one-to-one meetings.

Since 2002, the Technology Cooperation Days supported more than 2000 participants with targeted bilateral meetings, resulting in numerous international partnership agreements.

In 2016 the event is organised by the Enterprise Europe Network in collaboration with the Physikalisch-Technische Bundesanstalt (PTB).

REASONS TO PARTICIPATE

- _Present your projects/ technologies/ products/ services on the event's website and in bilateral meetings
- _Learn about latest technologies, products and solutions from international participants
